

MEET your SCHOOL COUNSELOR

Hi! I'm Emily Swancott!

I am so happy to be back for year three at Boonville Elementary and my 12th year as a counselor. I am passionate about helping your child have a great school year by supporting, encouraging and empowering them to be their best selves. I will be teaching classroom lessons and having small lunch groups with all pre-k-2nd grade students this year, as well as running small groups and individual counseling sessions with students who need additional support. Please reach out to me if you have any questions or concerns, I am here to help!

Handle with care

If your family is experiencing difficulties at home, I would like to provide some additional support at school. I understand you may not always be able to give details, and that's OK. If your child is coming to school after a difficult morning, night or weekend, please email, call or send me a parent square message and I will make it a priority to check in on them.
