## ALL ABOUT ME

My name is Mrs. Orr. I am married with two children! I graduated from Norwich University with a degree in Psychology and graduated from The Sage Colleges with a Masters in School Counseling. I started my counseling career in Vermont 9 years ago and moved back to New York in 2017. I have been at Adirondack Central School District since 2018 and this is my second year at West Leyden Elementary!

## THESE ARE A FEW OF MY FAVORITE THINGS..

I love spending time with my family and baking with my children. I coach youth Ice Hockey during the winter and love to travel, hike, ski, snowboard and mountain bike.
